

# NFT.London One-Pager

## VENUE

This week sees [NFT.NYC](#) launch its inaugural [NFT.London](#) conference at the Queen Elizabeth II Centre, Westminster.

Kicking off on **Thursday, 3rd November** NFT.London will **continue the mission** which was started by NFT.NYC back in 2018 of:

1. Giving as many Community members as possible a voice on stage
2. Provide a forum for like minded people to partner together
3. Proselytise to the broader community

## SPEAKERS

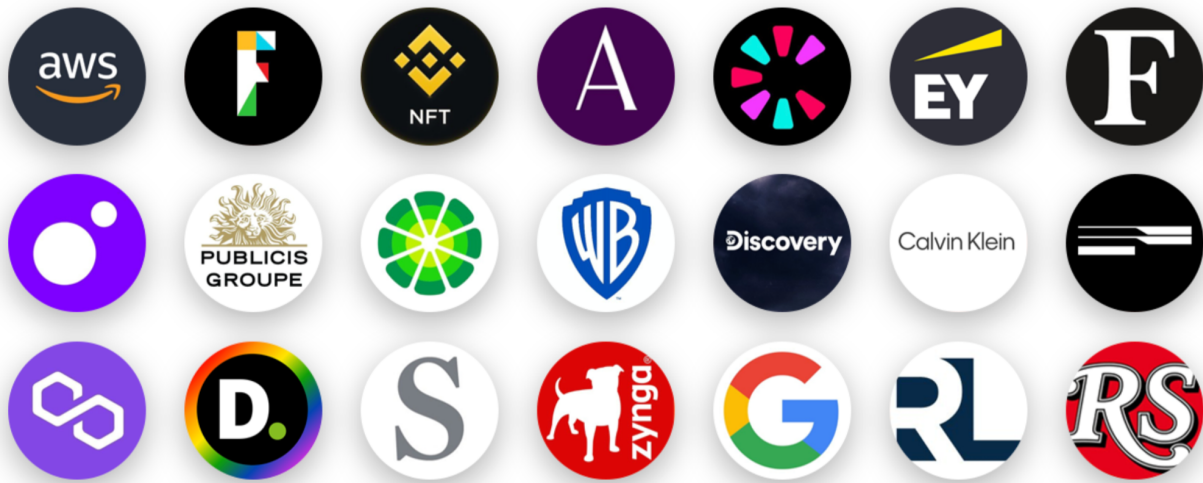

800+ Speakers from 64 countries.

1. **326** speakers who reside in the **United Kingdom**
2. **183** speakers from North America who have made the journey across the Atlantic for this event
3. **193** speakers from various countries throughout the **EU**
4. **35** speakers from across the **MENA region**
5. **27** speakers from a variety of locations in **Asia**.

The full **PROGRAM** is available [here](#).

**NFTs POWERING THE ATTENDEE EXPERIENCE:**

- **NFT Tickets**

Since 2019 NFT.NYC has expanded their ticket offerings to include innovative NFT-native ticketing experiences. This year for NFT.London NFT tickets feature selected artworks from [a community of local UK-based artists](#).

- **Commemorative NFT Ticket Stubs**

All attendees who register tickets on Eventbrite are receiving **Commemorative NFT Ticket Stubs** featuring the same [amazing works from UK-based artists](#) - including the highly acclaimed XCOPY for VIP ticket holders.

- **Speaker Card NFTs**

Every Speaker at NFT.London 2022 will have 20 NFT Speaker Cards available to claim from their Speaker Profiles.

- **Speaker Profiles**

Every NFT.London Speaker has been provided their own NFT.London Speaker Profile, powered by [NFT.Kred](#).

Each Speaker's Profile features their social accounts, a link to view their sessions in the program and, during the event, will include a button for Attendees to claim their exclusive Speaker Card NFT.

To view a Speaker's full profile and claim their NFT, navigate to the Speaker's page in the [Program](#) and click to claim their NFT.

- **The NFT Swag Bag**

Since the first [NFT.NYC](#) event in 2019, the NFT Swag Bag has allowed Sponsors to share collectible and redeemable NFTs for free with the community.

Attendees will be able to browse [the NFT.London NFT app](#) to claim their free NFTs!
